

## **Teen Pregnancy Prevention Resources**

### **About.COM**

[About.com: Teen Pregnancy, Marriage & Parenthood](#)

A website specifically targeted to teens on pregnancy and parenthood. Provides teen advice, FAQs on sex and pregnancy, a crisis pregnancy helpline, firsthand experiences of other teens, information on teen parenting, statistics and data on teen pregnancy, and more.

### **Advocates for Youth**

[Advocates for Youth](#)

Dedicated to creating programs and advocating for policies that help young people make informed and responsible decisions about their reproductive and sexual health. Provides information, training, and strategic assistance to youth-serving organizations, policy makers, youth activists, and the media in the United States and the developing world.

### **America's Pregnancy Helpline**

[America's Pregnancy Helpline](#)

A national health organization committed to ongoing reproductive research and education, promoting community awareness and providing fact-based information for women and families with pregnancy related needs. Their goal is to empower women and families, within their own communities, through education and counseling, by offering healthy reproductive options and promoting and supporting healthy pregnancies with positive outcomes.

### **Annie E. Casey Foundation**

[State Innovations to Prevent Teen Pregnancy - 2006](#)

Provides descriptions of progress states across the country have made in their efforts to promote adolescent health, prevent adolescent risk-taking and prevent teen pregnancy. The states presented in this document provide three examples of the strategies being developed and implemented across the country to address the challenges associated with teen sexual risk-taking, pregnancy, and childbearing.

### **Campaign For Our Children, Inc.**

[Campaign For Our Children, Inc.](#)

Addresses the high teen birth rate through a comprehensive, hands-on program to educate children, parents and the general public.

### **Components of Promising Teen Pregnancy Prevention Programs**
